

STEERS BACK ON EVEN TERMS IN BATTLE FOR TITLE

DIXIE SERIES IN DEADLOCK AS TEAMS SQUARE OFF TODAY AT DALLAS FOR FIFTH ENCOUNTER

Dallas, Sept. 30.—(AP)—Outside of the financial aspect of the situation, the Dallas Steers and Birmingham Barons had accomplished nothing up to today toward settling claims for the baseball championship of Dixie.

Starting last Wednesday, they have battled across two states and worn out several dozen baseballs, but they still were horse-and-horse as they squared off for the fifth contest here today, each with two decisions. So far, neither has been able to do any good in the other's ballparks.

With 14,000 yowling fans urging them on, the Steers pulled up on even terms with the Alabamians by taking yesterday's game, 6 to 5. The rookie star, Vic Frazier, gained revenge for a lacing given him at Birmingham three days previously, although he barely escaped with his hide when the Barons chased over four runs in the ninth chapter.

Ludolph, veteran who limited the Texas League champs to two hits in the Dixie opener, went out under a

shower of base hits in the fourth. His successor, Hearn, did better, but the principal damage had been done. A pair of homers by St. Rosenthal and Country Davis, both over the right field barrier in the third, contributed to Ludolph's downfall.

With the exception of their rousing finish, when they punched Frazier for four hits and came within approximately three feet of tying the score, the Barons could not concentrate their attack on the Steers' juvenile mound ace. Three feet represents the distance by which Sturdy was thrown out as he tore for home in the ninth with what would have been the Barons' sixth run.

Sturdy's bold attempt to score from second on Black's infield hit through Flakamp provided a thrilling climax to the Barons' courageous rally. He would have scored on anything less than a perfect peg, but Flakamp's whip from the edge of the grass cut the plate, and Bischoff dived on top of Sturdy as he slid in. They crossed the plate together in a cloud of dust, and the Dallas backstop clung to the ball. It pulled Frazier out of a bad spot.

A pair of former big-leaguers were picked to match curves today. Milt Stock, diminutive Dallas pilot, planned to send Sergeant George Connally back at the Barons, while the ancient Ray Caldwell was almost certain to be Johnny Dobbs' selection.

After today's tilt the clubs go back to Alabama for a sixth meeting. If a seventh is necessary, it will be played here, President McDunkin of the Steers having guessed right on a spinning coin.

"It Brought Health Happiness To Us" Says Husband

ABILENE MAN AND WIFE PRAISE ORGATONE FOR WONDERFUL GOOD IT DID THEM

"I have not only been relieved of troubles that bothered me for three years since I started taking Orgatone, but am in better health generally than I have been for years. And I want to add that it has also restored my wife to health, too," said D. W. Sieglitz of 2630 South Seventh Street, Abilene, Texas, recently.

"For the past three years," continued Mr. Sieglitz, "I have suffered from constipation. This naturally was followed by a bunch of minor ailments which usually accompany this trouble. I had a sluggish liver and felt tired and worn out most all the time. I did not sleep well, lost health, and gradually grew worse notwithstanding I was continually taking something for my ailments all the time.

"I kept hearing so much about Orgatone and what it was doing for people I decided to try it also. Well, I have not finished the first bottle before I realized I had struck the right medicine for my improvement was remarkable. I continued taking it and I am glad to say I am a well man. I have a splendid appetite and eat anything I want without it bothering me in the least. I always sleep well and get up feeling rested and refreshed. I have more pep and vitality than I have had in a long, long time.

"My wife had been suffering from a run down condition and she saw how Orgatone helped me so she decided to take it and today she is completely rid of her troubles, like me, she can eat anything she wants and never suffers the least bit from it, afterward.

"We both never miss any opportunity to praise Orgatone for it has surely brought health and happiness in our home."

Genuine Orgatone is manufactured by one of the world's largest laboratories and is not a so-called secret or patent remedy but a new scientific treatment and is sold in Vernon, by the Vernon Drug Store. Adv

Lions Will Play Grandfield Eleven Here This Week

With their first conference contest chalked up in the victory column the Vernon High School Lions begin a month of practice for the November league schedule of District 1, in which they play five games in four weeks meeting Wichita Falls, Amarillo, Plainview, Lubbock and Electra in the order named. The schedule is enough to make any coach pessimistic.

During the month of training for the conference season the Lions have 24 practice days. Three games are played during that time. None of them count in the percentage column and two are with Oklahoma teams.

The first of the practice games of October will be played Friday at the City Park gridiron with the Grandfield, Okla., Bearcats. The Bearcats have made one visit to District No. 1 this season, defeating the Electra Tigers, 12 to 0.

Following the Bearcat game the Lions will have a week of rest in which they will bear down on drills of formations planned for the misery of District 1 competition. The week of October 13, will give the Lions two games on the City Park gridiron with the Gould, Okla., eleven coming to town on Tuesday, Oct. 15, and the Denton Broncos appearing on Saturday, Oct. 19, hardly before the dust of the Gould game has settled.

After the Denton game the Lions will take a second week of rest and begin sharpening their claws in earnest for the invasion of Spudder Park on Nov. 2, for entertainment furnished by Coach Barry Holton's Wichita Falls Coyotes.

Southwest Will See Interesting Games This Week

(By The Associated Press)

Although the first meeting of Southern Conference teams is not scheduled until a week from Saturday, when Texas University invades Fayetteville to meet Arkansas, the coming week-end will be enlivened by a trio of inter-sectional skirmishes calculated to send football interest mounting.

Southern Methodist's clash with Coach Dana Bible's Nebraska Cornhuskers at Lincoln will top the week's bill, with the Texas Aggie-Tulane clash at New Orleans another close engagement. Texas University will have as its guests the Centenary College gentlemen from Shreveport.

Four other conference teams will continue to take their football less seriously, engaging secondary state schools. The powerful Baylor Bears are booked against Trinity University at Waco. Rice meets the Sam Houston Teachers at Houston. Arkansas plays Henderson-Brown at Fayetteville, and Texas Christian moves to Breckenridge to meet Simmons University on a neutral field.

They, the Frogs, will find the Cowboys tough foemen, fresh from a 3 to 0 victory over the Longhorns' second team.

With a 54 to 7 victory under their belts, the Aggies apparently were set to give Tulane all the competition the law allows. Coach Bell's team displayed unlimited power in crushing the Pirates, four complete teams participating.

The Mustangs gave no indication they can prove a match for Nebraska in being held to a 13-13 tie by Howard Payne. It was the second close brush for Coach Morrison's revamped machine. Until the closing quarter, when they opened up an aerial attack that scored two touchdowns, the Ponies were fought to a standstill.

Having gained no better than a 13 to 0 victory over St. Edward's University in their initial brush, the Longhorns figured to have their hand full with Centenary Saturday, even to overflowing. The Gentlemen, led by brilliant Jake Hanna, ran up a 63 to 0 score on the Commerce Teachers Saturday. The Longhorn offense looked weak against the Saints and its defense spotty.

Coach Francis Schmidt's Horned Frogs served ample warning on six conference rivals by rolling up a 61 to 0 count on the Daniel Baker Hill Billies. Cy Leland crossed the Billies' goal line twice and the entire coterie of Frog backs whipped the Daniel Baker line to ribbons. Simmons was expected to give the Frogs a harder test.

Baylor was scheduled to chalk up another top-heavy score at the expense of Trinity University. The Bruins again demonstrated their power in whipping the Denton Teachers, 22 to 0.

The Razorbacks, victorious over College of the Ozarks, 37 to 0, in their opener, were figured to have equally easy going against Henderson-Brown.

The Rice Owls, trounced by the Loyola Wolves, 33 to 0, Friday night, promised to have it easier with Sam Houston.

SOVIET PLANE LANDS AT SITKA IN FLIGHT TO U. S.

Sitka, Alaska, Sept. 30.—(AP)—The Russian monoplane, "Land of the Soviets," was safe here today after fighting its way through heavy fog for the greater part of its 600-mile flight from Seward. A cheering throng greeted the four flyers on their arrival at this historic city, capital of Alaska during Russian occupation.

The monoplane, which is attempting a 12,000 mile flight from Moscow to New York, took off from Seward at 10:11 a. m. (Pacific Time) yesterday and landed here at 8:45 p. m.

INTEREST IN LEAGUE DROPS

BROOKLYN-PHILADELPHIA FIGHT FOR LEADER OF SECOND DIVISION

(By The Associated Press)

The final seven days of the season will interest chiefly for individual exploits and for the battle between Brooklyn and Philadelphia for the top of the National League's second division. After winning seven straight games which carried them into fifth place ahead of the Robins, the Phillies fell back into a tie for the position by losing to the Giants 4 to 2 yesterday as the Flatbush Club shaded Boston 3 to 2.

The Giant victory made it seven straight for Bill Walker, young southpaw who came to the club two years ago from Denver, Ott and Klein took their home run race into the New York polo grounds for the last time this season, but both failed to scale the right field wall. They are tied with 42 apiece. By getting two in four times at bat, Frank O'Doul strengthened his claim to the National League batting title.

Rogers Hornsby's thirty-ninth home run not only placed him in a tie with his team-mate, Hack Wilson, for third place in the National League derby, but also enabled the champion Cubs to shade Ben Froy, Cincinnati recruit, by 1 to 0.

The Pirates divided two in St. Louis, winning the opener 5 to 1 and dropping the nightcap 10 to 2. The Pirates could lose second place only by dropping all their games.

In the American League, the tail-end Red Sox slammed the champion Mackmen for a 10 to 0 victory, the Messrs. Grove, Yerkes and Rommel officiating.

George Pincus and Wesley Ferrell selected the same day to share honors with two-hit games. Pincus pitched the Yankees to a 3 to 0 victory over Washington, winning his eighteenth, and Ferrell turned back the Browns 4 to 0 in Cleveland. The victory practically clinched third place for the Indians.

Detroit outgassed the White Sox to win a wild game 9 to 8 in eleven innings. Gehring and Stone aided the Bengals with homers.

Athletics Best Behind Bat Where Cubs Have Flaws

New York, Sept. 30.—(AP)—The Cubs were the National League pennant in spite of a succession of troubles behind the bat; the Athletics captured the American League flag largely because of the aggressive, brilliant play of Gordon (Mickey) Cochrane, the league's "most valuable" player in 1928 and still the best round backdrop in baseball.

If backstopping alone, the series, the presence of Cochrane would give the Athletics an overwhelming edge. Medically, Cochrane may have his flaws. His throwing is not always deadly, but his magnetic effect upon the rest of the team, his smart handling of a temperamental crop of pitchers, his speed and consistently heavy hitting make him the real driving force of the A's on the field.

Cochrane is unquestionably the spark-plug of the team. Connie Mack said recently: "And he thrives on work."

It is a rarity for a catcher to bat in the critical third position in any batting line-up, but Cochrane's speed and stickwork, testified to by a mark of .327, have kept him there. Barring an accident, the former Boston University star, who has been worth double his purchase price of \$50,000 from the Pacific Coast League, will catch every game of the series for the Mackmen.

The Cubs suffered a severe blow in the spring when their star receiver, Gabby Hartnett, a heavy hitter and hard worker, developed a lame shoulder. Hartnett has been out of the game all season and will not get into the series except as a pinch-hitter.

The poultry business is a rapidly growing industry in Foard County and a chicken hatchery has been needed here for some time.

Vernon Easily Disposes of Quanaah Threat in First Interscholastic Football Contest

The Vernon Lions smothered the Quanaah Indians, 51-0, here Saturday in opening the Interscholastic League football schedule for District No. 1. The game was uninteresting and slower than the first Lion encounter a week ago, perhaps, partly due to the warm weather.

Gelhausen and Manis again featured in the Lion attack, the former making consistent off tackle sweeps, and the latter charging the line.

The Lions scored early and never permitted any doubt of the outcome of the game from the start. Fumbles by the Indians contributed considerably to the size of the Vernon score. The first touchdown came after Lovell fumbled on Quanaah's 20-yard line and Gelhausen recovered. Gelhausen, with the aid of two yards contributed by Manis, carried the ball over. Manis kicked for the extra point.

The Indians made a first down after receiving the kick, but Lovell barely touched the ball on an attempted pass and Vernon recovered the ball on the Indians' 8-yard line.

The kick gave the Indians the ball on the 31-yard line but a fumble on the second play was recovered by Gelhausen. Christian contributed 2 yards and Manis crossed the goal in three plays one of which was a fast backfield shift with the halves going out and Manis going through a hole that would have been adequate for a circus elephant. Manis' try for point was short.

The second quarter opened with several exchanges of punts in mid field. Thompson and Smith entered the game for Vernon and Williams replaced Thompson a moment later. Christian took a punt to the Lion 49 yard line but the penalties set them back 10 yards. But Smith, aided by Christian took the ball to the Quanaah 17 yard line. Williams passed to Wall who stepped across the goal line. Watson failed on the try for point when the ball bounced from the cross bar. Score 26 to 0. Both teams intercepted passes and the half ended with the Indians in possession of the ball in mid field.

The Indians tried an outside kick at the kickoff which ended disastrously when Bowden killed the ball on his own 48 yard line. Gelhausen and Manis took the ball to the Indian 31-yard line and a pass from Gelhausen to Baird was complete for 21 yards on the Indian 21 yard line.

Gelhausen added 4 yards in two plays. An attempted pass by Manis for the extra point was wide. The Indians made their first threat at this time with Norman returning the kickoff to his 34-yard line. Manis intercepted a pass from Roberts on the third play and the Lions stopped on the 25 yard line after a 5 yard penalty. Hollis intercepted a pass on the 50-yard line and a toss from Hollis to Shields took the ball to the Vernon 47 yard line. Hollis completed a second toss to Shields placing the ball on the Lion 40 yard line. Norman took a pass from Hollis for a 5 yard gain but Baird intercepted the next toss on his own 15 yard line and returned 14 yards to the 29 yard line, near the close of the quarter.

An exchange of punts was stopped when Baird recovered a kick on the Indian 49 yard line. Williams lost 10 yards but Christian completed a toss to Richards for a gain of 50 yards. Christian crossed the goal on the third try and Manis converted the kick, score 33 to 0.

Marsali kicked from his 12 yard line and Manis returned to the Indian 15 yard line. Manis and Christian took the ball over in three plays but Manis failed to kick goal, score 45 to 0.

Punts were exchanged and the Indians held on their own 37 yard line. Young Neas tossed the ball to Baird on the initial play for 22 yards and Baird completed the gain of 63 yards for a touchdown, Smith converting the point ended the scoring and the Vernon fans folded up their

adding machines with the score 51 to 0.

The Indians staged a desperate last minute attempt to collect scalps but the timekeeper's gun stopped the advance after Horne and Marsali carried the ball 34 yards from their own 37 yard line.

Education Studied at First Meeting of Club Federation

An interesting program on "Education" inaugurated the year's study of the County Federation of Women's Clubs Saturday afternoon at the Yamparika club house in Allingham Park. Mrs. H. L. St. John was leader of the afternoon and introduced the program study with an outline of the educational work in the State Federation. The meeting was opened with the song, "America", followed by roll call answered to with "Ways of Practicing Thrift in the Home".

The classes named were: reparations, delinquency crime or symptoms, the result of home environment or some physical or moral defect. She stated that a very small per cent of delinquent children are founded by criminal instinct and are a product of criminal parents or degenerate ancestors.

Mrs. W. B. Howell also gave an interesting talk on "How Teaching Fire Prevention in the Schools Helps the Child as Well as the Community", and illustrated the talk with fire prevention posters made in the schools. "Universities Giving Scholarships to Worthy Girls Through the Federation" was ably discussed on the program by Mrs. W. T. Lofland and a helpful talk on "What We Can Do to Help the Teachers in the Student Life in the Community" was given by Mrs. C. S. Smith of Fargo.

A LITTLE TOWN WITH GREAT ASPIRATIONS

It has been announced that a movement is under way in Chillicothe to secure an airport for that town. Already signs for the convenience of aviators have been placed on Chillicothe buildings, and the little town seems determined to make a bid for its share of aviation commerce.

These facts may precipitate smiles of tolerant amusement on the faces of some of the more cynical and egotistical. They probably will wonder what Chillicothe needs with an airport, and they take occasion to point to the local airport as proof that it is of little or no benefit to the city. And they can point to the airport register to prove that the Vernon flying field has hardly been noticed by commercial aviation as yet.

With these facts known, they doubtless feel that they have good reason to make light of Chillicothe's efforts to provide an airport. Chillicothe seems destined to be the butt of the jibes of these self-styled wise men quite frequently because of its aspiration. Not long ago the installation of electric street light traffic controls prompted numerous wittily-meant remarks about the small but growing Hardeman County town. Nevertheless Chillicothe has continued to operate the traffic control system, and is satisfied with the results.

Knowing the spirit of Chillicothe business men, The Record predicts that an airport will be provided there in the near future, and this newspaper believes that many "wise" men who have found amusement in the evident aspirations of the small town will live to see it become one of the thriving small cities of this section.

LISTEN FELLOWS,

I told you last fall your plumbing was going to freeze up, better prepare for it. It did, and you got in a hurry to get it fixed, but some of you sure have not been in a hurry to pay me. So you fellows that know you owe me, kick in. I need the money. I am in good health and do not intend to take a vacation but I want the money so I can pay my honest debts.

W. M. ROWLAND
PLUMBING

they do not happen," is based on that trite saying, "Cities are built, fact. Up in the eastern part of Hardeman County a small group of enterprising business men are making a concentrated effort to build a city. They have exhibited the spirit that undoubtedly makes for progress and advancement of any community, a spirit that is hard to down. It may be thwarted for a time, but in the end it undoubtedly will win out, and the little town with big aspirations will attain to at least a measure of the goal sought. No small town can help being a small town at one time, but it can help continuing as such.

STRESSING PRISON NEEDS

The escape last Friday night of eighteen prisoners from a branch of the extensively decentralized Texas prison system accentuates one of the most objectionable features and deplorable conditions existing in the prison system. It is entirely too easy to escape from the prisons of the state.

Governor Moody is authority for the statement that escapes actually have been effected by the prisoners kicking down the only barrier between themselves and liberty with their bare feet. This means, at the best that the state must go to considerable expense each year to recover escaped convicts. More than that the escaped convict, under a long sentence, becomes a desperate person once he gains his liberty. Life is not safe in the vicinity in which he roams, and escapes are far too costly for this reason.

There are other indictments. Chief among these is the fact that rather than restoring criminals to society as worthwhile citizens it manufactures them out of the young and first offenders sent to it and then thrown out as economic charges on the community. There is no means of segregation. The hardened criminal is unhesitatingly placed with the first offender. The diseased is incarcerated with the healthy. There is no effort to discharge the state's obligation to take adequate care of its wards.

With these facts being stressed repeatedly the urgent need of action to improve the Texas prison system is clearly obvious. At the present a special commission is considering plans for a revised Texas system, after having inspected a large number of other prisons. It has not been indicated what steps they will recommend, but the urgent need of some steps should recommend their proposal to the Legislature and action should be speedy as is consistent with wisdom. The Texas Legislature under the present administration has been noted for the time it takes it to pass legislation. It is to be hoped that it will show a different attitude in disposing of the prison question.

M'DONALD VISIT TO U. S. HOLDS WORLD FOCUS

Past Week Eventful One in International Affairs, With Three New Cabinets Taking Place of Old Ones in European Governments.

(By The Associated Press)
Prime Minister Ramsay MacDonald is on his way to America to give a considerable section of the public a chance to see in person that a "Socialist" premier whose Government controls the strongest navy in the world is a friendly and likeable sort.

He aims to "narrow the Atlantic" by removing misconceptions arising from distances and to strengthen by direct conversations with President Hoover the "friendly understanding" achieved during many weeks of distant correspondence.

At Geneva, the tenth assembly of the League of Nations concluded its session on Wednesday in an atmosphere distinguished from all others by spirit of conciliation. For the most part it was an "enabling" session, rather than one of definite accomplishment.

The United States was enabled to adhere to the world court without sacrifice of principle, China was enabled to bring up her disliked extraterritorial treaties for discussion as outworn, the new British Labor Government was enabled to make known its desire for reduction in land and air forces coincident with naval cuts, but most important the delegates were enabled to discuss the tangled affairs of the world without resort to threats, abstentions or open quarrels.

Goodwill and distance flights continued at the fore. Colonel Charles A. Lindbergh extended commercial air routes in the Caribbean. The Russian "Land of the Soviets" reached the American continent on its

Citation by Publication. THE STATE OF TEXAS.

To the Sheriff of any Constable of Wilbarger County, Greeting:
You are hereby commanded to summon Nell McConnell by making publication of this citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Wilbarger County, to be held at the Court House thereof in Vernon, on the last Monday in October, A. D. 1929 the same being the 28th day of October A. D. 1929 then and there to answer a petition filed in said Court on the 30th day of September A. D. 1929 in a suit, numbered on the docket of said Court 'o. 5049 wherein, Mrs. Julia Thompson and J. A. Thompson are plaintiffs and Nell McConnell is defendant and said petition alleging, in substance as follows:

Suit for partition by Mrs. Julia Thompson and husband, J. A. Thompson, of Nueces County, Texas, against Nell McConnell; plaintiffs alleging that Mrs. Julia Thompson owns an undivided one-half interest and Nell McConnell owns an undivided one-half interest in Lot 7, Block 30, Original Town site of Vernon, Texas, and that the estimated value of said property is \$6,000.00; also plaintiffs ask for an accounting against the said Nell McConnell for all rents received by her from said property, and asking the Court to grant them an equitable lien against her portion of the property to secure them in the payment of their one-half portion of said rents, alleging in substance that they believe and therefore aver that she has collected something like \$300.00 in rents off of said property for which she has not accounted to the plaintiffs.
